

Our country is being divided down the middle in ways I am not sure we can recover from. Hope for me would be the FCC reminding Sinclair in the strongest possible way that the airwaves belong to the People.

The First Amendment gives power to the People. Sinclair wants to take that power away by forcing their stations to air an anti-Kerry documentary just prior to the election.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. But when large companies control the airwaves, we get more of what's good for the bottom line and less of what we need for our democracy.

Stop Sinclair. Please. For the sake of the children tomorrow and democracy

Thank you,

LC
